Dear Family and Friends,

We know this is a very difficult time and it is hard not to be able to visit with your loved ones at Holy Family.

One way to stay in contact with your loved one is through virtual visits, using FaceTime and Skype.

Our recreation and social work teams are working on setting up appointments to connect residents and their family and friends through video calls.

If you are interested, please contact Sandra Katchnoski at: skatchnoski@holyfamilyhome.mb.ca
Please include the following information:

- Your name
- Your loved one's name
- Your cell phone number
- Whether you use FaceTime or Skype
- Best time of day to have a virtual visit

One of the Recreation team will contact you to schedule a session.

If you do not have access to a smart phone or computer for FaceTime or Skype sessions, we can also facilitate phone conversations with you and your loved one.

Please reach out to arrange a session, or for more information on using FaceTime or Skype.

Please know our Recreation team is here for your loved ones, continuing to provide programs to keep your loved ones happy and busy through this trying time.
We look forward to connecting you with your loved one.

Thank you,
The Recreation Team at Holy Family Home
