June. 7, 2024

Dear families,

This week at Holy Family Home our respiratory outbreak on 2A Sacred Heart resolved and all residents were able to go back to normal activities on and off the unit as of June 4, 2024. Thank you to all the dedicated residents, families and staff for helping decrease the spread of the virus within the home. At this time, we have no units in outbreak, so I am hoping everyone has a chance to get outside and enjoy the nice weather when it arrives.

With summer quickly approaching, Holy Family Home is going to have more outdoor activities for residents to participate in, so if you can please make sure residents have access to hats, sunglasses and sunscreen to use during the hot sunny days. If families can check their loved ones rooms for these items so that the unit staff can quickly find them when needed. If your loved one does not have a hat, sunglasses or sunscreen can you kindly bring in these items for your resident?

Wishing you all a wonderful weekend!

Sincerely,

Stacey Morgan RNBN

Director of Care

To Serve is to Love
