Aug. 12, 2024

Dear families,

Today we have received notice that we do have 3 residents who have tested positive for COVID 19 on the 5A St. Michael's unit. We have been in contact with our Medical Director and have initiated outbreak precautions as per the below:

- Daily screening of residents for symptoms
- initiate Isolation Precautions for anyone demonstrating symptoms
- Only small group activities that allow for physical distancing between residents on the resident care unit
- Ensure physical distancing during meals
- Ensure hand hygiene by the residents before and after meals and activities
- All residents to remain on the unit (no hairdressing or off unit events)
- Visitors are to limit visiting to 2 visitors per day, but visitation is to occur in the resident care rooms on the unit only
- All staff and visitors are required to wear masks on this unit at all times

The COVID 19 outbreak on 2A Sacred Heart is hoping to be declared over later this week, but at this time the unit continues following the above outbreak measures until regional infection prevention and control deems it resolved. Thanks for everyone's patience as we continue to navigate through the outbreaks.

I am hoping that our residents have a speedy recovery. Please keep our residents in your prayers.

Sincerely,

Stacey Morgan RNB

Director of Care

To Serve is to Love
