Sept. 19, 2024

Dear families,

This week we did have some good news on our resident care units. As per WRHA IP&C and our medical director Dr. T. Babick our COVID-19 outbreaks on 4A St. Joseph's unit resolved Sept. 17, 5A St. Michael's unit resolved Sept. 18 and 3C St. Paul's/St. John's unit resolved Sept. 19, 2024. All residents can resume regular activities that include group programming on and off the units.

As of today, we are now officially outbreak free in the home. Thank you to the residents, families and staff for following our infection control protocols and preventing the spread of the virus to other residents and resident care units. It will be nice to see all the residents able to enjoy the evening programs in the Atrium again.

Wishing everyone an enjoyable last few days of summer!

Sincerely,

Stacey Morgan RNBN

Director of Care

To Serve is to Love
