Oct. 29, 2024

Dear families,

We are pleased to announce that the COVID-19 outbreak in 3A (St. Anne's) has been resolved. Following consultations with WRHA IP&C and our medical director Dr. T. Babick, we are declaring the outbreak over as of today, October 29th, 2024.

All residents can return to normal activities on and off the unit, including attending off unit events as of today.

With the respiratory season upon us, I hope everyone will stay healthy. The best way to stay healthy is to get vaccinated against respiratory viruses, wash your hands, cover your face when you cough and stay home when you are sick.

Just as a reminder please do not visit your loved one if, you are exhibiting any respiratory symptoms.

Thanks for your support!

Sincerely,

Stacey Morgan RNBN

Director of Care

To Serve is to Love
