Dec. 6, 2024

Dear families,

Over the last few days, we had 2 resident who have tested positive for COVID 19 on 4C St. Basil's/St. Martha's unit. A COVID 19 outbreak was declared today as per regional infection control and our medical director. Outbreak measures have been initiated which include:

- Daily screening of residents for symptoms
- initiate Isolation Precautions for anyone demonstrating symptoms
- Only small group activities that allow for physical distancing between residents on the resident care unit
- Ensure physical distancing during meals
- Ensure hand hygiene by the residents before and after meals and activities
- All residents to remain on the unit (no leaving the unit for hairdressing or off unit events)
- Visitation is to occur in the resident care rooms on the unit only
- All staff and visitors are to wear masks on the unit

We also have one case of COVID 19 on 5A St. Michael's unit. Close monitoring of the residents for respiratory symptoms has been initiated and we encourage visitors to stay on the unit rather than taking their loved ones off the 5A St. Michael's unit to visit.

Please keep our residents in your prayers while we continue to navigate the continued virus season.

Sincerely,

Stacey Morgan RNBN

Director of Care

To Serve is to Love
