

HOLY FAMILY

LIFELONG LEGACY

ISSUE SIXTEEN | JUNE 2025

NURSE'S WEEK

This year, we celebrated Nurse's Week with a fun-filled series of games, laughter, and plenty of picture-perfect moments!

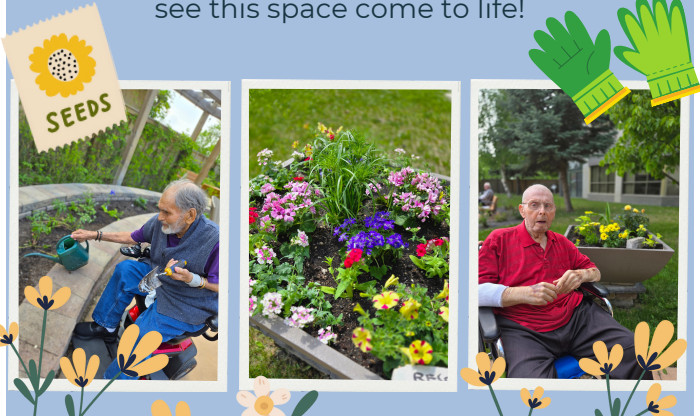

Our team came together to enjoy some lighthearted competition and capture memories while showing appreciation for the nurses who make a difference every day. It was a week to remember, filled with gratitude, joy, and of course, some friendly fun.

Spotlight

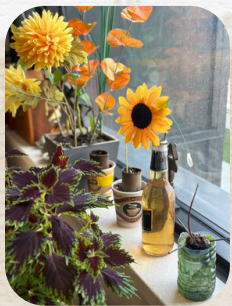

Thanks to the hard work of our dedicated **Park Partner** volunteer and residents, our park is finally starting to take shape and bloom. Every plant, path, and detail is a reflection of the community's effort and care. It's amazing to see this space come to life!

STORY OF A RESIDENT

Meet one of our residents who has turned a corner of his room into a small oasis, complete with avocado plants, sunflowers, and other leafy companions. His love for gardening began at the age of five, when his mother helped him plant carrots in the backyard - an experience that sparked a lifelong passion. This summer, he brought that passion outdoors, planting sunflowers in the Courtyard for everyone to enjoy. Each day, he checks on his plants with quiet dedication, offering water, care, and the occasional word of encouragement. The sunflowers are now stretching toward the sky, much to the delight of fellow residents and staff. He's created a part of his childhood home in his room, carrying love and memory of his mother throughout the years.. Because Holy Family is home.

FATHER'S DAY PARTY

Our Recreation Department hosted a heartwarming Father's Day treating residents to snacks and non-alcoholic beer. Laughter, music, and great conversation filled the room as the gentlemen were celebrated and honored. A simple, joyful afternoon that meant the world to many. Happy Father's Day!

HEARTFELT GRADUATION 🎓

Oksana graduated nursing school during the height of the pandemic and, like many, missed out on the chance to take her graduation picture. During Nurse's Week, staff came together to surprise her with a celebration, finally giving her that long-awaited moment. It was a beautiful day filled with laughter, happy tears, and unforgettable memories as the team made sure she had her own special picture to remember.

PAINT NIGHT 🎨

Recent Paint Night was a wonderful success! Residents gathered for an evening of creativity, painting a serene night sky complete with a glowing moon and silhouetted trees. The atmosphere was warm and peaceful, with each brushstroke reflecting personal style and imagination. We're already looking forward to our next artistic adventure together! The next Paint Night is **June 25th, in the Auditorium!**

A BLOOMING GOOD TIME

What a treat! Emilia visited the home to show our residents how to create beautiful flower arrangements. Everyone had such a wonderful time learning and crafting their own colorful displays!
